

“CLASSROOM ENRICHMENT FUND”

TEACHERS ONLY

Lapis Carbon Solutions, Dallas, Texas, a pay it forward minded company, saw a local need, stepped up and created a charitable fund to assist Union County public school educator’s classroom needs. Thus, the Classroom Enrichment Fund was established in July 2025. The fund is designed to help teachers purchase supplies, learning materials, and learning aids not covered by school district budgets. The fund is to enhance teaching and learning within the classroom in Union the County Arkansas public school districts, which include El Dorado School District, Junction City School District, Parkers Chapel School District, Smackover-Norphlet School District, and the Strong-Huttig School District.

Eligibility Criteria:

Must be an active teacher in the El Dorado School District, Junction City School District, Parkers Chapel School District, Smackover-Norphlet School District, or the Strong-Huttig School District.

Must have approval from teacher’s school principal.

Application Requirements:

Completed and Submitted on-line application.

On-line application must include description of the project (what funds will be used for)

Written approval from school principal.
